### BAKER AND HISTORY

It is difficult to fithout the exertment about Newton D Baker's blography in the Encyclopedia Britannica; Apparently the fact that it mentions that the charge of pacificism was often brought against him has upset ome of his friends. Had this charge been made only by political opponents bfographical sketch might be questhe propriety of repeating it in a tioned But even a paper as friendly to Wilsoniam as the New York Times headlined the announcement of Mr. Baker's appointment as secretary of war in 1916 with the phrase, "He is hown as an ordent pacifist."

Unfortunately for Mr. Baker's friends, the one statement which seriously detracts from Mr Baker's glory concerns a matter which is now com mon history and the accuracy of which can hardly be questioned. Mr. Baker was widely condemned, says the Encyclopedia Britannica, "for his tailure to prepare adequately in the months immediately preceding the American declaration of war " There, indeed, is a damning indictment. It can only fairly be lifted from Mr. Baker by transferring it to Mr. Wilson. As president, Mr. Wilson was naturally responsible for Mr. Baker's activities. Whether the fault was fact remains that the country failed

Germany is reported as rapidly regaining her merchant marinstrength. The past year has been very prosperous for the German ships Here is another competitor for world trade that the United States must meet if the American flag is to stay on the seas. One more good reason why the ship subsidy bill should be promptly enacted into law
